

Lunch Thyme

Dear Parents and Students of Bethany Academy,

It is our pleasure to be providing Bethany Academy students, and staff the daily School Lunch Program. We specialize in providing the lunch programs for private Christian schools and over the past 8 years.

Lunch Thyme is a Limited Liability Corporation owned and operated by Veronica and David Schallenkamp. Prior to Lunch Thyme Veronica managed a Deli and catered for 20 years. Veronica is a trained Cook/Chef and holds her Food Manager Certificate with the State of Minnesota Department of Health.

We are passionate about what we do and are committed to providing a lunch experience that your students will look forward to.

We serve fresh fruits and vegetables when in season and our menu items are always interesting and flavorful.

Daily lunches will include an Entree, Vegetable, Fruit and Dessert.

You will notice that due to rising food costs we have increased our price for the K – 4 lunches to \$4.50. This year we have implemented a \$10.00 late fee for orders received after the deadline date.

We are looking forward to serving you, your children and your School. Feel free to contact me for any reason at schallenkamps@live.com

In Christ
