

General Parking Information

The driveway and parking lot at Bethany can be somewhat of a challenge during the morning drop-off and afternoon pick-up times so we are asking you to please follow the procedures we have set in place to avoid any possible mishaps. We want to be an "Accident Free Zone."

The first entrance to the right of the driveway is a **one way** and the second is an **exit only**. The circle at the main entrance is for easy drop off or pick up at the end of the sidewalk - - -

but please do not park there to wait or leave your vehicle unattended!!

- ◆ Parents may park in either of the 2 front lots or West (side) lots to come in to the building or to pick up or drop off children.
- ◆ When you park, **please back into the parking spots** for a clearer visual path when you leave.
- ◆ **NO PARALLEL PARKING ALONG THE FAR WEST SIDE OF THE DRIVEWAY GOING UP or DOWN THE HILL.** (side where fire hydrant is)
- ◆ All student drivers should back in and park in the **FRONT (South) LOWER LOT.**
- ◆ All students and parents should use the main doors in the front to gain access into the building.
- ◆ We reserve the back parking lot behind the lunchroom and gym for the elementary play area, so please do not park there. Also, back doors are kept locked; there is no building access there.

Thank you for your cooperation. If you have any suggestions or concerns, please see me.

Sincerely,

Nancy Johnson, Head of School
