

Student Driving and Parking

Students driving to school must observe the following parking rules or face a detention, fine, and/or loss of driving privileges:

- All students must register their cars and purchase a parking pass. All parking passes must be displayed from the front windshield of the car. Parking passes may be purchased from the office.
- Obey the 5 mph parking lot speed limit. Do not speed to and from school.
- Do not park in or block, even momentarily, handicap parking spaces.
- For safety reasons, all students must back into a parking space.

Parents Dropping Off and Picking up Students

For the safety of students please observe the following:

- When dropping off your students pull all the way down to the fire hydrant.
- Students exit only from the passenger side of the vehicle.
- When possible keep back packs at your students' feet. This helps in a quick departure.
- The left side of the circle is for passing traffic. **NO STUDENTS ARE TO BE DROPPED-OFF or PICKED-UP** from this lane.
- Once your student is dropped-off please leave immediately. If you need to catch-up on emails etc. please back into a parking spot.

The best way to keep our students safe is to practice patience. Please be patient while the car ahead of you unloads.

Extended Drop -Off

If the morning calls for a longer good-bye or your student has many things to carry please pull into the Extended Drop –Off lane. This lane is open for Drop –Off only. Pull in parallel to the side walk. This is not a parking spot. All other drop off and pick up rules apply. These spots are no longer available for parking between the hours of 7:30am-8:30am.

When school is out, it is expected that all students will be picked-up immediately. No student should remain more than 30 minutes after the end of the official school day. Parents will inform the school office in advance if they need to pick-up their child before the school day ends and sign the child out of the office.

Parents are asked not to park in the drop-off area or handicap parking spaces while waiting to pick up your children. Please encourage your child not to walk between cars or cross the parking lot unattended. There is no parking anywhere but designated parking spaces.
